# **HP Prime Gloss Air GR**

## Intermediate polymeric adhesive vinyl with gray removable adhesive

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## See outstanding image quality and great hiding power

#### See outstanding image quality and great hiding power

This gloss-finish, intermediate polymeric adhesive vinyl offers outstanding image quality and "pop". The gray removable adhesive is opaque for maximum coverage. This vinyl installs easily with a low-profile air release liner and provides durable print performance with over 10 years laminated display permanence.1

#### REACH compliant<sup>2</sup>

Offer a vinyl that complies with high health standards. HP Prime Gloss Air GR is REACH compliant<sup>2</sup>—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.

#### Save time with a reliable, total HP solution

Original HP printing materials, Original HP inks, and HP large format printers are designed to work together as a system to provide reliable, consistent, quality results that help save time.

Target customers	Applications	Benefits
Print service providers	Indoor and outdoor advertising	Outstanding image quality on this intermediate polymeric calendered vinyl
	Point-of-sale, retail displays	Gray removable adhesive provides opacity to achieve consistent image quality on multiple surfaces
	Window graphics	Air release liner enables fast, easy, and bubble-free installation
	Exhibit and event graphics	Compatible with Original HP Latex Inks; also solvent, low-solvent, and UV-curable inks
